

TO WHOM IT MAY CONCERN

We would like to express our deepest gratitude to Nandhi Technologies for their supply and service to install and commission Coffee Colour sorter for COOPAC at Gisenyi, Rwanda on July 2017.

With their effectual service, the machine is fixed appropriately within the contracted term.

We especially appreciate Lalitha Marimuthu for the guidance provided timely and helpful advice regarding the machine. We greatly appreciate the assistance they have provided us.

I would love to recommend Nandhi Technologies to anyone who needs Coffee Color sorter in the future.

Keep up the good work.
